WHAT I READ, I UNDERSTAND.**

BUT WHAT I DO, BECOMES PART OF WHO I AM."

A training program provides participants with an opportunity to gain international practical experience while simultaneously immersed in Brazilian culture and work environment.

Brazilian Experience, or simply "BE", is an educational and tourism organization specialized in creating once-in-a-lifetime experiences for foreigners visiting Brazil, providing a safe environment with full support to meet their needs.

We believe that living abroad is a unique opportunity to access and advance cultural understanding, inspiring mutual respect and personal growth.

Brazil is among the 7 World's largest economies. A huge extension of fertile lands allows records in production of grains, coffee and a great variety of fruits, giving the country notoriety in the international market. Brazilian industrial park is one of the planet's most advanced, qualified and productive, exporting airplanes, software, shoes, metal, automobiles and handcraft, among others. Brazil is today, a modern, creative country, incorporated to the world.

- ✓ Personality: students should be mature, responsible, flexible and adaptable;
- ✓ All the payments must be completed by their deadline; The program is open to participants from all over the world.

Placements

Students are placed based on their academic background, personal and professional interests. Positions might be paid or non-paid.

Brazilian Experience chooses the locations and organizations based on availability and intern's background. It cannot be guaranteed that an intern can be placed in a chosen company. The types of business organizations an intern can act at are based on a number of factors:

- Age
- Level of Portuguese
- Curriculum
- Interests
- Abilities required

Why Brazil?

A large, scenic photograph of the Christ the Redeemer statue in Rio de Janeiro, Brazil. The statue is white and stands on a high peak, overlooking the city and the bay. The background shows a vast landscape with mountains and a clear blue sky. The image is used as a background for the entire page.

Interning abroad is a wonderful way to develop your knowledge and skills. It will enhance your resume, help you develop your professional work ethic and demeanor, and, with BE's help, submerge you in a fun adventure! These potential benefits may be reason enough to seek internships in Brazil.

Brazil has several well-developed industries, a powerful business sector, and a population that embraces community service, public service, and grassroots organization.

Through your experience, you may develop your communication skills, your ability to work with different types of people, and your facility in working in unfamiliar environments while you boost your resume. You may also develop your global perspective and your capacities to work in an international setting.

What our students tell about us?

"The internship was an excellent way to experience Brazilian culture while gaining valuable work experience. I truly enjoyed my job and met wonderful people at work. Thanks to BE, I always felt like I was looked after and knew that I had someone to contact if I needed help with anything."

Sara Bravo, France

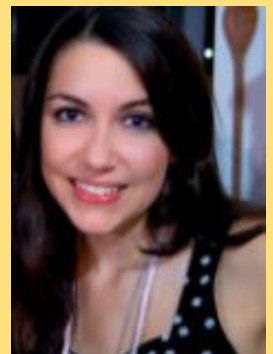

"Overall my experience with Brazilian Experience was wonderful. It was a life changing adventure that I will remember and cherish for a lifetime. The company that BE placed me in was great, and their guidance throughout the trip was very helpful and useful."

Jacob Recoon, USA

"Interning abroad was one of the best decisions I have made. The program partnership was great, my internship placement was tailored to my educational background which gave me a great boost to my resume. Portuguese classes were educational and fun which helped me immerse into the culture."

Allison Overholser, USA

Placement Process

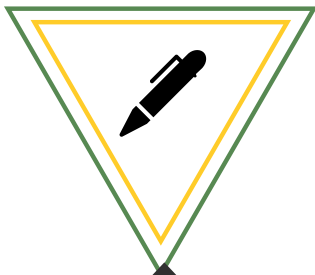

1. Enrollment form

The enrollment form is the most important for us to know about you and your expectations towards your internship abroad. Through it, we will be able to check your resume, your cover letter and understand your skills, experiences and preferences. An invoice for the **enrollment fee** will be sent, this way we can assure your commitment to the program.

2. Search for a position

After getting to know you and your expectations a little better, BE team will seek institutions in your area of studies and customize an internship offer for you. We assure you that we will do our best to offer you the best learning experience possible.

3. Placement confirmation and contract

A placement will be offered according to your preferences and profile. Once you accept the offer, we will make your internship contract, which must be signed by BE, the host organization, you and your university. This contract will be required during your visa application.

4. Program balance and pre-arrival

With your placement offer and your contract ready, we will send you an invoice for the **program balance**. It's time to get ready! BE team will guide you through the visa process, help you with accommodation matters and prepare you to your Brazilian Experience.

"The journey of a thousand miles begins with a single step."
